Article 2. Principles for management

1. Principles for allocation of tariff quota on importation

The allocation of tariff quota on importation of salt and avian eggs shall be governed by the Circular No. 04/2014/TT-BCT dated 27 January 2014 by Minister of Industry and Trade on details of the enforcement of certain articles of the Government's Decree No. 187/2013/ND-CP dated 20 November 2013 on details of the enforcement of the Law of Commerce with regard to

international trade in goods and agencies' sale, purchase, processing and transit of goods for foreign principals.

2. Entities granted with tariff quota on importation

Salt: tariff quota on importation of salt shall be allocated to traders who directly use salt to produce chemicals, medicines and medical products.

Avian egg: tariff quota on importation of avian eggs shall be allocated to traders in possession of a certificate of business registration and in need of such imports.

3. Time for allocation of tariff quota on importation of salt

Time for allocation of tariff quota on importation of salt shall be subject to requests by the Ministry of Agriculture and Rural development in order to negate impacts against the consumption of salt domestically produced.

Article 3. Effect

This Circular takes effect from 17 April 2017 to 31 December 2017 inclusive.
